

Re: Testimony in Opposition to S.B. No. 1105 (RAISED) AN ACT  
CONCERNING SPECIAL EDUCATION.

My name is Tania Vidosevic, of 2 Manor Drive, Milford, CT. I am  
testifying on SB No. 1105 . I am  
strongly opposed to this Bill because that the proposed changes would  
adversely affect the quality of service and education for children with  
autism in the state.
